### **Map**

JWOC 2018 maps are surveyed in 2018 according to the IOF regulation. Scale: 1:10000 with 2m contour interval. On 1. day categories M18B, M20A, M21E, W21E and on the 2. day categories M20A, M21E, W21E run with 1:15000 map. On PVSZ Cup all categories run with 1:7500 map.

The competition maps were printed waterproof paper.

Size: 305\*215mm

### **Special map mark:**

Tank stand  

### **Control description:**

Code, control description are on the map. On 1-4, days separate control description available on the start.

### **Terrain:**

The best terrains of the county have a rich contour character due to sand dunes created by the wind. The relief or the terrain is highly varied but of small elevation of approx. 10-20 m, so maps are drawn with 2m contour intervals. Terminology for the local native flora is 'forest steppe', an open grassland mixed with smaller and larger forested areas and juniper bushes and rectangular pine forests. Due to its characteristics the terrain enables a high running speed but also present an orienteering challenge.

### **Control points:**

Control points will be equipped with orange-white control flags and SI units. The traditional SI punching system will be used at the event. In case of lack of response from the SI units please punch on the map.

You can rent SI during registration. SI card rental fee is 300Ft/day. Under 14 years the rental SI is free.

### **Results:**

In the assembly area results will also be available online and accessible via mobile devices which have both Wi-Fi connection and a web browser. You can connect to a free Wi-Fi network (no need for mobile Internet connection).

Technical details: SSID: results (open system, accessible without password).

Type <http://results.hu> in your browser. This points to a simplified version of the homepage of the event where the updated results can be reached by clicking on a link. Please select the class and set the refresh interval (30 sec, 1min, 2 min or 5 min). If you have questions please contact the organizers.

The official result is printed in finish area.
